North America's famous grizzly bears

That first moment. You leap across continents and oceans. You look out to the great beyond. Admiring a snow-capped peak's reflection on a shimmering lake one day. Witnessing the mighty roar of a calving glacier on another. Adventure. Laughter. Comfort, not comfort zones. Free-falling into your own ideas. The sweeter things in life. Maple syrup on pancakes. The scent of pines. Cinnamon dancing in a mug of wine. Sparks. Flakelets. Joy. Childhood dreams of frosty fairy lights. Finding yourself in cities. In the great outdoors. In the moment. A black bear's paw print. The click-clack of a train. Old friends. New memories. Being that little bit daring. Doing what you've always wanted to do, before realising you wanted to do it. Knowing the little things have been looked after so you can Live Fully in each and every unforgettable moment.

Extraordinary moments in travel.
Made possible every day with APT.

Travel Styles

We understand that one type of holiday does not suit all. So we've created a range of travel styles. A selection of ways you can explore the world. Some cover the must-see sights. Some go more in-depth. And sometimes we mix two styles into the one journey. We often offer multiple travel styles in the one destination, ensuring your experience is perfectly aligned with why you want to go, your interests, and your fitness level.

Classic Journeys

Sometimes the best way to travel is also the most obvious. By coach, rail or cruise, your holiday through North America takes you to all those must-see sites, while also celebrating the road in between. With a maximum of 39 other guests in your APT group as part of your Classic Journey, you'll have the luxury of a personalised experience that larger groups simply can't offer. You'll also stay in luxurious, centrally located and iconic accommodation and dine in the very best restaurants.

Small Group Journeys

Because you're more than just another face in the crowd, APT's Small Group Journeys are limited to an intimate group of no more than 20 guests. This way, you become familiar with each traveller, and gain an in-depth understanding of the region you're exploring. With longer stays in some of the best destinations, these trips are for the most curious of travellers.

Remote Journeys

Crafted for those places that are just a bit too difficult to reach on your own, Remote Journeys take you to the hard-to-reach corners of Canada and Alaska. Well off the beaten track, APT's Remote Journeys have been especially considered for travellers who want to step out of their comfort zone and experience the world in its purest form.

Luxury Service

When it comes to exploring the world, we know it's the little things that go a long way. Seamless connections and intuitive gestures are only the beginning. Our Tour Directors not only remember your name, but also how you take your coffee, and are always around to lend a helping hand. You're free from obligation and stress, so you can make every holiday moment count, knowing our experts have taken care of everything.

We take care of the little details, so you can focus on having fun.

Tour Directors, Drivers & Cruise Liaisons

Your APT Tour Director is with you from start to finish, and will go the extra mile to ensure your journey exceeds your every expectation. Sharing their knowledge and guaranteeing your comfort is what they're there for. On land, our experienced drivers have an unparalleled safety record, and at sea, our cruise liaisons are at your service, so you can rest assured you'll be in good hands. What's more, APT's local operations team in Vancouver are on hand at all times.

Arrive in Style

With a friendly face to greet you as you step off your flight, and a vehicle at the ready to whisk you away, you're sure to start your holiday off on the right foot.

No More Than 40 Guests in your APT Group

Whenever travel is concerned, smaller groups are always a bonus. That's why you'll have no more than 40 guests in your APT group throughout North America. Fewer people means more room on your luxury coach, and a personalised level of service. In some instances, we've even capped our APT groups at 20.

Local Guides

It takes a local to show you the places that only a resident could know about. As such, our local guides deliver an even more intimate experience, because there's no one better to show you around.

Luxury Rail

Take your seat for the glass-domed adventure of a lifetime and get comfortable as your prestigious train rolls through rugged wilderness, passing forested cliffs, alpine rivers and snowy peaks. And because APT provides the luxury of GoldLeaf Service on every Canadian Rocky Mountaineer holiday, the five-star views will be matched by five-star service.

GoldLeaf Service on the Rocky Mountaineer

GoldLeaf Service on the Rocky Mountaineer is more than an inclusion, it's a privilege – and we're excited to share it with you.

Guaranteed GoldLeaf Service in Canada

As an APT guest aboard the Rocky Mountaineer, you'll take a seat in the prestigious bi-level glass-dome carriages and enjoy unobstructed views of the Canadian Rockies from full-length windows.

Absolute comfort in your spacious, reclining seat is paramount. And because your journey has been crafted especially for daylight hours, you've got the ideal viewing perspective. If you feel like a bit of fresh air, there's even an exclusive outdoor viewing platform for GoldLeaf Service guests. And when it comes time to dine, all meals are included from a menu designed by executive chefs, and drinks flow freely throughout the journey.

SilverLeaf Service & SilverLeaf Plus in the USA

On Rocky Mountaineer journeys through the USA, travel in a single-level SilverLeaf carriage. Marvel at the incredible scenery through oversized panoramic windows while enjoying spacious reclining seats. Hot meals are served

to your seat and beverages are served throughout the journey. An upgrade to SilverLeaf Plus is also available, including all the benefits of SilverLeaf Service, plus exclusive access to a lounge car, an elevated dining experience, signature cocktails and premium alcoholic beverages.

VIA Rail's Snow Train

From Vancouver to Jasper, this magical overnight winter rail journey whisks you through the snowy Canadian Rockies in Sleeper Plus class, with access to the glass-dome observation deck and Park car.

McKinley Explorer in Alaska

If you're up for something even more immersive than a classic Inside Passage cruise, then venturing deep into Alaska's remote heart aboard the McKinley Explorer may be perfect for you. Glass-domed rail cars offer a stunning perspective, and the service to Denali National Park sees you traverse the wilderness with pleasure and ease.

Premier Cruising

There's something else about the majesty of Alaska. Glaciers creaking and calving away in the distance. Narrow fjords ready to be navigated. The sight of humpback and orca whales. Our Inside Passage cruises show the best of nature, including Glacier Bay National Park, where you come face-to-face with immense walls of ice. And in Eastern Canada and New England, you will be charmed by the beauty of delightful coastal villages and a unique culture.

We've partnered with award-winning Holland America Line to make sure your cruise experience is extraordinary.

Canada's Premier Cruise Line

For experiences that push the boundaries. For facilities and entertainment that go beyond. For dining inspired by world-class chefs. We've partnered with Holland America Line, the region's leading premier cruise operator, whose values and expertise reflect those of APT.

Guaranteed Verandah

When you cruise, it's all about the scenery, which is why no matter which ship you're on, we guarantee that your room will be complete with a verandah. If you find yourself wanting more, you can upgrade to a luxurious suite and enjoy even more floor space, plus a host of other benefits.

A Personalised Experience

As an esteemed guest on board Holland America Line, you can 'Have it all', including a Signature Beverage Package and dinner at your ship's renowned Pinnacle Grill. All tied together with the comforts of wi-fi and a shore excursion. This is an optional experience tailored precisely for these personalised extras.

APT guests travelling with Holland America Line will also receive exclusive discounts for select onshore excursions.

Please enquire for further details and pricing. See pages 96-97 for terms and conditions.

Luxury Stays

We've sourced the very best hotels that North America has to offer. We've even checked the pillow menus and sampled the food. Each hotel is chosen for its prime location, in unsurpassed settings, and with easy access to sightseeing.

Fairmont Chateau Lake Louise, Alberta

Comfort? Check. History? Check. Spot-on service? Check. We've made sure everything you could ever need from a hotel is ticked off the list.

Western Canada

Renowned reputations and dreamy locations are what Western Canada is all about. Here, you'll stay at some of Fairmont's most esteemed residences, and be guaranteed a Lakeview Room[^] at Fairmont Chateau Lake Louise and a Mountain View Room at Fairmont Banff Springs.

[^]Departures 13 April to 25 May Deluxe Mount Temple room at Fairmont Chateau Lake Louise.

Eastern Canada

The old world of French Canada comes to life in the east. Wake to spectacular city scenes from your Deluxe 'Old Québec' View Room at Fairmont Le Château Frontenac in Québec City, and be struck by the beauty of Niagara Falls from a Fallsview room at Hilton Niagara Falls.

USA

When it comes to hospitality, there are few countries that do it better than the USA. And we've chosen hotels that have been perfecting the art for decades. In Utah, you'll stay in refined luxury, amid stunning red rock landscapes, at Hoodoo Moab after exploring the Arches and Canyonlands National Parks.

Alaskan Lodges

Whether it's for adventure or relaxation, our selection of wilderness lodges are rustic on the outside and bursting with soul on the inside. And in Denali National Park, we've secured Denali Suites, complete with private balconies to soak up mountain views, at the McKinley Chalet Resort.

Luxury Dining

The experience you have with food should be more than one of necessity. It should be an indulgence. An introduction to the region. A welcome to your taste buds. We've thought about each area's speciality when checking out where to dine, and sent our very own band of foodies to try and test the menus, making sure that only the most authentic and celebrated dining experiences are delivered on your journey.

Loosen those belt buckles and get ready to eat your way across North America.

Freedom of Choice™ Dining

Versatility is important when it comes to dining – after all, no two palates are the same. And because we understand that you like to exercise this freedom from time to time, in select locations, we offer a choice of different restaurants from which to dine.

See page 90 for a full list of Freedom of Choice™ dining inclusions in each destination.

All Onboard Meals Included

When cruising Alaska's Inside Passage and Canada and New England, each and every meal during the voyage is included and prepared by a team of culinary experts. And when on the Rocky Mountaineer, hot breakfasts and three-course lunches are also crafted by an expert team. To tie off the whole rail experience, a range of drinks are also served at your discretion.

Signature Experiences

Forget cookie-cutter experiences – we’re all about putting our own spin on things. Our intimate encounters with culture, food and history are called Signature Experiences, and each one is as unique as the last. We make sure these experiences will become some of your favourite holiday moments, and the following are just a taste of what we have in store for you.

🌟 Look for the logo on itinerary pages for your Signature Experiences.

Eastern Canada & USA

The charm of seafaring history. A blend of tranquil lanes and modern cities with a distinctly European feel. An amber flourish in fall. Eastern Canada is a place where landscapes stretch from deep forests to lofty mountains. And the USA is the perfect partner, with a metropolitan buzz hanging heavy in the air. Your discoveries in these regions are quite unlike any other – and they're specially led by maple syrup connoisseurs, rangers and cheerful local characters.

Frequently Asked Questions

Tips and information about your North America holiday with APT.

General Questions

When is the best season to travel in Canada?

In our eyes, it's always a pleasure to travel to Canada. From April to May, snow is visible and lakes are still frozen from winter. Bears stumble awake, and national parks are busy with wildlife. Summer is from June to August, and it's the most popular season for outdoor activities and wildlife viewing. In the fall, from September to November, temperatures cool and the leaves change. In winter, December to February and early March, the days are short and snow is plentiful.

Will I see wildlife?

The majority of our tours take place between April and September when wildlife is at its most abundant and active. All of our holidays visit national parks for the best chance to see wildlife like bears, wolves and bald eagles.

On an Inside Passage cruise, it's likely you will see marine and land mammals from right aboard your ship. For a closer look, however, we recommend you book shore excursions that include visits to wilderness parks.

Will I have wi-fi access?

Free wi-fi is available on coaches in Canada and the USA. As coaches use a satellite system, routing may cause restricted reception. Wi-fi is also available in most hotels and all Fairmont properties, and is available for purchase on Holland America Line cruises. Wi-fi is not available on coaches in Alaska.

What time is hotel check-in and check-out?

Hotel check-in is usually at 4pm. Where possible, the hotel will try to have your room ready earlier. To guarantee early check-in, you will need to book an additional night prior to your scheduled arrival (additional expense). Hotel check-out is at 11am or noon.

What clothing should I pack?

Bring a variety of clothing to suit the time of year you're travelling. Most guests dress casually during the day, but we recommend that you pack a variety of comfortable light to medium weight clothes plus rainwear. If you are travelling in winter, you will need to bring clothes that can be layered, and a waterproof outer-layer as temperatures can drop to lows of between -15 and -40 degrees Celsius. Ensure you have appropriate footwear.

Trackside wildlife

Rocky Mountaineer

How long is my Rocky Mountaineer rail journey?

Spend two days on the Rocky Mountaineer and travel around 450 kilometres each day in Canada, and 300 kilometres in the US, all in daylight.

What route will I be travelling?

'First Passage to the West' journeys operate both east and westbound between Vancouver and Lake Louise or Banff. You'll travel through the Canadian Rocky Mountains, past Kicking Horse River, through the Spiral Tunnels and over the Continental Divide along the Canadian Pacific track.

'Journey Through the Clouds' takes you between Vancouver and Jasper, past some of the tallest peaks in the Canadian Rockies, including Mount Robson. Travel through remote countryside alongside the Coast Mountains, the Fraser Canyon, Albretha Glacier and Pyramid Falls.

'Rockies to the Red Rocks' is a brand-new journey that takes you from Denver to Moab. Pass the iconic desert landscapes of the USA's southwest and along the Colorado River.

Check individual itineraries for the direction of travel.

What is the baggage size allowance on board?
